ONLINE STUDENTS TESTING AND GROWTH EVALUATION

Every reading answer, proved with the text.

OnSTAGE puts interactive reading tools, TEKS-aligned slide decks, and word study in one place so students prove every answer with the passage itself. Teachers see results, assign passages, and track growth by TEKS.

WHAT STUDENTS DO

- Read a passage beside test style questions.
- Use highlight, read aloud, and line reader tools.
- Answer and prove the answer with text evidence.

WHAT TEACHERS GET

Build practice. From TEKS aligned passages, with reading, editing, and revising sets.

Reports. Student work flows into TEKS Teams and classroom ready reports that name the next instructional step.

Seats. One teacher and 25 students for one year.

Looks like the **state test**: a passage on the left and test style questions on the right.

ALIGNED TO**TEKS ALIGNED PASSAGES**

Reading, editing, and revising sets are built from TEKS aligned passages. Teachers choose the TEKS their scope calls for.
