Ideas

You must first develop an idea. Ask yourself the following questions...

1. What are my interests?
2. What are my experiences and/or expertise?
3. What are my ideas for my novel?
4. Are there a lot of details that I can write about this subject?

Write down your first, second, and third choices for your novel subject...

Climax

The climax is the main excitement in the entire novel. All details in the novel usually lead up to, or feel the effects of the story's climax. The climax usually happens towards the middle of the story, but it can happen other places.

Think about the major event that you want to occur in your novel. It should be exciting and surprising. This is your climax.

Briefly describe the climax of your book below.
